

Duldig Studio - museum + sculpture garden presents

3D Me! Unpacking the World of Sculpture

Duldig Studio invites you to take part in our 3D Me! program, where the world of sculpture and how it's made is brought to life. Learn through experts and innovators about public art, sculpture conservation and new ways of creating sculptures including 3D printing; plus two Sculpture Workshops.

Sunday Sculpture Talk Series at Duldig Studio

Sunday 14 March:
2pm-4pm
William Eicholtz,
Contemporary
Sculptor

Sunday 18 April:
2pm-4pm
Dr. Evan Tindal, Principal Objects
Conservator, The Grimwade Centre
for Cultural Materials Conservation,
The University of Melbourne

Sunday June 13:
2pm-4pm
Lisa Byrne, Director,
McClelland Sculpture
Park + Gallery,
Langwarrin, Victoria

Sculpture Workshops

Tuesday 13 April and Wednesday 14 April, 1:30-3:30pm: Conducted by Stefan Damschke, Curator, at Duldig Studio's Workshop Space, Malvern East. Includes inspirational tour of the Duldig Studio Sculpture Collection. One winning piece will be chosen for 3D printing. Suits Youth and Adult participants.
